

Adam Weaver: Curriculum Vitae

☎ 510-214-2326 ✉ adsweaver@gmail.com

Experience

Adam Weaver Design: Principle Designer,
2003-Present

-A Design Consultancy with the idea that the user and product are inextricably bonded. Through the Industrial Design methodology I help make new and lasting connections with a user base for such clients as: A&A Designs, Raffles, and Future Design Partners

Academy of Art University: IDS Tutor,
2010-Present

-Tutoring for the Industrial Design Department where I taught students the process, methodologies and tools of ID so they could execute their class material. Incompasses Masters and Undergraduates from an international student body.

DAVID WEEKS STUDIO: Lead Designer,
September 2010-August 2011.

-Leading, creating, and completing product development from lighting to furniture as well as consumer goods for market for such clients as: DWR, MATTER, Igno Maurer, Kikkerland, AREAWARE

Omniscient Records: Founder & Creative Director,
January 1997-2008

-Founder of music label, Producer, Art Direction, Management, Event Planning.

LeapFrog Educational Toys: Web and Toy QA /QC
2001-2004

-QA for internet content and QC for toy platforms. Black Box, White Box, Grey Box, and fuzz testing. Implemented test plans. Used knowledge of xml, java, and javascript to perform Q.C & Q.A responsibilities.

Sun Microsystems: UI Design and Database management, 2000-2001

-Basic database management with light UI design, Fuzz testing

Netscape: Intern,
1999-2000

-Support for web and database management. Basic fuzz testing on webbrowsers cross functionality, and UI design.

My strength is my ability to take a product from inception all the way through the concepts, refinements, 3D CAD solid models or physical mock-up models, preliminary design-engineering, rapid prototypes, functional or appearance models, piece part production drawings. I am educated in the domains of product design, concept development, and user experience.
